

Stepping Into the Realm of 3-D Cloisonne

James Carter

Student Supply List

1. Size 00 red sable paint brush
2. Eye dropper
3. Fingernail clippers
4. Small straight edge scissors (Fiskars)
5. Reading glasses or optivisor if needed
6. 6 oz. juice glass
7. Basic tool box including saw, pliers, sandpaper
8. General working supplies i.e. pencil, paper, apron, desk light

The instructor will have the following materials available for student purchase:

1. Enamels (about 40 colors will be available – variety of transparent, opalescent and opaques – about \$2/color, most students use 10-15 colors) May bring your own if you have them
2. Silver Foil, Gold Foil, Silver sheet
3. Copper beads – four different shapes - \$2 each
4. Tweezers – (can be purchased or just used on loan)
5. Cloisonne wire

In general, the supplies, if purchased from the instructor will cost approximately \$30 - \$40. The tools are available to use on loan, but if purchased, will be approximately \$20 for a kit.
