June 18-24, 2022

Application Information

You may take only one workshop. Please indicate your first, second and third choices when completing the application. If you cannot be placed in your first choice, you will be waitlisted for that workshop and will be placed in your second, or, if necessary, your third choice. If a higher choice later becomes available, you will be moved to it.

Applications are being accepted as of 3/15/22 and workshops will be filled on a first come/first serve basis using the postmark/email date.

The fee for tuition, room and board and gratuities is \$1,000.00 if paying by check. If paying through the website, there is a \$35 additional fee to cover the charges associated with electronic payment. Please remember we are trying to keep the cost as low as possible for everyone and those additional fees can be substantial.
